A – From HCN’s census, we will make our priorities. Then the question is how do we complete those priorities?

2.) What specific challenges is the Ho-Chunk Nation facing that we could help address?

A – How to get everyone to follow the strategic plan, even after this administration is no longer in office?

3.) What does your ideal consulting partner look like to help you achieve your objectives?

A – Flexible enough to help complete our strategic plan.

4.) Are any documents provided to vendors?

A – A copy of the latest census and the previous strategic plan will be provided to successful bidder.

In addition, we have annual reports that we would like to use for a trend analysis
