Section IV- Notice of service fees, and other pertinent information.

Social Security Numbers: The provision of your social security number is essential to providing thorough child support services and for the State of Wisconsin to assist with services that the Ho-Chunk Nation does not have access to at this time. Your social security number will be used for the purpose of establishing and enforcing support for you and your family. If you do not provide your social security number, the Ho-Chunk Nation CSA will be extremely hindered in its ability to provide you with this assistance.

Tax Interception Information: I understand that the Child Support Agency will process any certifiable past-due child support debts to the tax/lottery intercept program. I have been advised and understand that I am applying for State IV-D services for the purpose of submitting arrearages for state and federal tax refund offset. I understand that if I receive the other parent's intercepted tax refund money that is later recalled by the Federal Internal Revenue Service (IRS) or the State Department of Revenue (DOR), I must immediately return the money. If I cannot repay the money at once, I will follow a payment plan until the amount is repaid in full. If tax money is recalled, you will receive a letter with the information about how to return the money and set up a payment plan. If a tax collection is at least \$10.00, I understand a fee of 10%, up to \$25.00 will be deducted from the tax intercept collection.

Child Support Orders: I understand that the law does not permit percentage orders in child support agency cases. If I am opening a child support case or reopening a closed child support case and have a percentage order, the child support agency is not responsible for reconciling the order. The child support agency is required to change the percentage order into a dollar amount order. By submitting this application, I am agreeing to cooperate with the agency in changing the order.

Disclaimer: The Ho-Chunk Nation will bring any necessary administrative or court actions to establish paternity (legal fatherhood) or to establish or enforce a support order. However, **the Ho-Chunk Nation Child Support Attorney does not represent either parent, but rather represents the Ho-Chunk Nation's interest in enforcing support.**

I hereby request child support services under the Child Support Agency Program under Title IV-D of the Social Security Act. I understand that I must cooperate with the Child Support Agency by providing information that affects my case and by keeping my appointments with the agency.
