

The Ho-Chunk Nation is the “payer of last resort”. Therefore, applicants must seek assistance from other funding sources, such as their local Johnson O’Malley Program, or program scholarships, prior to applying for the COVID-19 Response Relief Printer program.

### **COVID-19 Relief Response Printer Purchase**

**Description:** Due to the COVID-19 pandemic and remote learning requirement, assistance is available to purchase a printer and additional ink cartridges for students in grades K-12 attending public or private/parochial school.
