**SUBCHAPTER II
ISSUANCE, EXPIRATION AND RENEWAL OF LICENSES**

343.05 Operators to be licensed; exceptions. (1) GENERAL

PROVISIONS. (a) Except as provided in this subsection, no person may at any time have more than one operator’s license. This prohibition includes, without limitation, having licenses from more than one state, having licenses under more than one name or birthdate, and having more than one license issued for the operation of different types or classes of vehicles. This paragraph does not apply to any person who has only operator’s licenses issued by this state and by a country, province, or subdivision.

(b) During the 10-day period beginning on the date on which the person is issued an operator’s license, a person may hold more than one operator’s license.

(c) A person may have both an operator’s license and a duly issued instruction permit allowing restricted operation of a vehicle group not authorized by the license.

(2) COMMERCIALMOTOR VEHICLES. (a) No person may operate a commercial motor vehicle upon a highway in this state unless the person is one of the following:

1. A resident who is at least 18 years of age, who has a valid commercial driver license which is not disqualified, revoked, suspended, canceled or expired and, for the operation of any vehicle type under the issuing jurisdiction, has an endorsement authorizing operation of the vehicle type.

2. A nonresident who has in his or her immediate possession a valid commercial driver license issued to the person in another jurisdiction or Mexico bearing all endorsements required for the specific class and type of vehicle being operated. A license is not valid under this subdivision if the license is restricted to operation inside the person's home jurisdiction, or if the person is otherwise violating restrictions or exceeding operating authorization stated on the person's license. If the nonresident is operating a commercial motor vehicle in interstate commerce, he or she must be at least 21 years of age.

4. A person with a temporary license under s. 343.305 (8) (a) which expressly authorizes the operation of the applicable class and type of commercial motor vehicle and which is not expired. (b) This subsection does not apply to a person whose operation of a commercial motor vehicle is subject to waiver under s. 343.055.

(c) A tow truck operator holding a valid commercial driver license who is engaged in the removal of a disabled or wrecked vehicle from the highway or eliminating a hazard is not required to hold an endorsement to his or her commercial driver license regardless of the type of vehicle being towed. This exception to the requirement for an endorsement does not apply to any subsequent towing of the vehicle, including moving the vehicle from one repair facility to another, unless one of the following applies:

1. The tow truck operator is accompanied by a driver who holds the required endorsements.

2. The vehicle is a vehicle that requires a "P" endorsement for its operation.

(3) NONCOMMERCIAL VEHICLES. Except as provided in sub. (4):

(a) No person may operate a motor vehicle which is not a commercial motor vehicle upon a highway in this state unless the person possesses a valid operator's license issued to the person by the department which is not revoked, suspended, canceled or expired.

(b) No person may operate a Type 1 motorcycle unless the person possesses a valid operator's license specifically authorizing the operation of Type 1 motorcycles.

(c) No person may operate a moped or motor bicycle unless the person possesses a valid operator's license or a special restricted operator's license issued under s. 343.135 or a restricted license issued under s. 343.08. A license under this paragraph does not authorize operation of a moped or motor bicycle if the license is revoked, suspended, canceled or expired.

(4) EXEMPTIONS. (a) The following are exempt from the licensing requirements of this chapter:

1. A person in the armed services while operating a motor vehicle owned by or leased to the federal government.

2. A person while temporarily operating or moving a farm tractor or implement of husbandry on a highway between fields or between a farm and a field.

3m. A person while operating motorized construction equipment. This subdivision does not apply to a truck or a construction vehicle designed for use on a roadway or to any vehicle exceeding a speed of 35 miles per hour.

(b) The following are exempt from the licensing requirements of sub. (3):

1. A nonresident who is at least 16 years of age and who has in his or her immediate possession a valid operator's license issued to the person in the person's home jurisdiction.

2. Any nonresident of the United States who holds an international driving permit or a valid operator's license issued by a country which is a signatory to either the 1943 regulation of inter-American automotive traffic or the 1949 Geneva convention on road traffic.

3. Any nonresident of the United States who holds an international driving permit or a valid operator's license issued by Germany, Mexico, or Switzerland or by any other nation having a reciprocal agreement with the United States concerning driving privileges.

(c) An exemption under par. (b) 2. or 3. applies only for a period of one year after a nonresident's arrival in the United States.

(5) PENALTIES. (ag) In this subsection, "great bodily harm" has the meaning given in s. 939.22 (14).

(am) Any person who violates sub. (1) or (2) shall be:

1. Fined not less than \$200 nor more than \$600 or imprisoned for not more than 6 months or both for the first such violation.

2. Fined not less than \$300 nor more than \$1,000 or imprisoned for not less than 5 days nor more than 6 months or both for the 2nd offense occurring within 3 years.

3. Fined not less than \$1,000 nor more than \$2,000 and imprisoned for not less than 10 days nor more than 6 months for the 3rd or subsequent offense occurring within 3 years.

(b) 1. Except as provided in subds. 2. to 5. and sub. (6), any person who violates sub. (3) (a) may be required to forfeit not more than \$200 for the first offense, may be fined not more than \$300 and imprisoned for not more than 30 days for the 2nd offense occurring within 3 years, and may be fined not more than \$500 and imprisoned for not more than 6 months for the 3rd or subsequent offense occurring within 3 years. In this paragraph, a violation of a local ordinance in conformity with this section or a violation of a law of a federally recognized American Indian tribe or band in this state in conformity with this section shall count as a previous offense.

2. A person whose operator's license has expired not more than 3 months before a violation of sub. (3) (a) may be required to forfeit not more than \$100 for the first offense.

4. Except as provided in subd. 2. and sub. (6), any person who violates sub. (3) (a) and, in the course of the violation, causes great bodily harm to another person is required to forfeit not less than \$5,000 nor more than \$7,500, except that, if the person knows at the time of the violation that he or she does not possess a valid operator's license, the person is guilty of a felony.

5. Except as provided in subd. 2. and sub. (6), any person who violates sub. (3) (a) and, in the course of the violation, causes the death of another person is required to forfeit not less than \$7,500 nor more than \$10,000, except that, if the person knows at the time of the violation that he or she does not possess a valid operator's license, the person is guilty of a felony.

(c) Any person who violates sub. (3) (b) or (c) may be required to forfeit not more than \$100.

(6) OTHER OFFENSES; PENALTIES. Section 343.44 and the penalties thereunder shall apply in lieu of this section to any person operating a motor vehicle upon a highway in this state with an operator's license which is revoked or suspended.

343.07 Instruction permits. (1c) DEFINITION. In this section, "qualified instructor" means a person employed by a public school, private school, or tribal school, holding an operator's license and meeting the teaching certification standards of the department of public instruction or the technical college system board to teach driver education; or an instructor of a school licensed under s. 343.61; or a teacher or student teacher in a driver education course for teachers conducted by an institution of higher education.

(1g) REGULAR PERMIT, RESTRICTIONS. The permit entitles the permittee to operate a motor vehicle, except a commercial motor vehicle, school bus, or Type 1 motorcycle, a motor bicycle, or a moped, upon the highways, subject to the following restrictions:

(a) Except as provided in this subsection, no permittee may operate a motor vehicle unless accompanied by a person who has at least 2 years of licensed driving experience, who presently holds a valid regular license, as defined in s. 343.03 (3) (a), who occupies the seat beside the permittee and who is one of the following:

1. A qualified instructor who is 19 years of age or older. If the motor vehicle is equipped with dual controls, up to 3 other persons, in addition to the qualified instructor, may occupy seats in the motor vehicle other than the front seat.
 2. The permittee's parent, guardian or spouse who is 19 years of age or older. In addition to the parent, guardian or spouse, the permittee's immediate family members may occupy seats in the motor vehicle other than the front seat.
 3. A person who is 21 years of age or older. If the permittee is under 18 years of age, this subdivision applies only if the licensed person has been designated in writing to accompany the permittee by the permittee's parent or guardian prior to operation of the vehicle by the permittee.
 - (bm) Except as provided in par. (a), no permittee may operate a motor vehicle upon a highway in this state whenever any person is in the motor vehicle.
 - (cm) If the permittee is at least 16 years of age, in addition to the licensed accompanying operator, one other licensed person 25 years of age or more with at least 2 years' driving experience may occupy a seat in the motor vehicle other than the front seat.
 - (d) The permittee shall not operate a motor vehicle during the hours of darkness unless accompanied by:
 1. A licensed person 25 years of age or more, with at least 2 years' licensed driving experience, occupying the seat beside the permittee; or
 2. A qualified instructor.
 - (e) The permittee may operate a motor vehicle when accompanied by an authorized license examiner for the purpose of examining the permittee's ability to operate a motor vehicle.
- (1m) COMMERCIAL MOTOR VEHICLE AND SCHOOL BUS INSTRUCTION PERMITS; RESTRICTIONS.** A permit limited to commercial motor vehicle instructional operation entitles the permittee to operate only a commercial motor vehicle upon the highways. A permit limited to school bus instructional operation entitles the permittee to operate only a school bus upon the highways. Both permits are subject to the following restrictions:
- (a) Except as provided in par. (am), the permittee may not operate a commercial motor vehicle or school bus unless accompanied by a qualified instructor or a licensed person 21 years of age or older with a valid license authorizing the person to operate such vehicle, occupying the seating position nearest to the driver. No passengers are allowed in the vehicle, except that when the accompanying operator is a qualified instructor up to 3 other permittees also being trained may occupy seats in the vehicle. The permittee may operate a commercial motor vehicle carrying property under this paragraph.
 - (am) 1. A permittee may operate a commercial motor vehicle or school bus, other than a vehicle type specified in s. 343.04 (2) (a), (c) or (f), within this state unaccompanied by a qualified instructor or a licensed person 25 years of age or older with at least 2 years of licensed driving experience in a representative vehicle and a valid license authorizing the person to operate such vehicle if the permittee has taken and passed the applicable knowledge tests and all of the following requirements are met:
 - a. The permittee is operating the vehicle in connection with a driver training course or program approved by the department.
 - b. The vehicle is being used by the permittee exclusively for driver training purposes and not for the purposes of carrying property or passengers.
 - c. Direct, uninterrupted audio or audiovisual electronic communication between a qualified instructor and the permittee is maintained at all times the permittee is operating the vehicle.
 2. This paragraph shall apply to the extent permitted under federal law.

(b) Unless the permittee is at least 21 years of age, the instruction permit is not valid authorization for operation in interstate commerce and that lack of authorization shall be clearly indicated on the permit.

(c) The permittee may operate a commercial motor vehicle or school bus when accompanied by an authorized license examiner for the purpose of examining his or her ability to operate a commercial motor vehicle or school bus.

(d) No person holding an instruction permit issued under this subsection may operate a vehicle transporting hazardous materials requiring placarding or any quantity of a material listed as a select agent or toxin under 42 CFR 73.

(7) PENALTY FOR RESTRICTION VIOLATIONS. (a) Notwithstanding s. 343.43 (1) (d) and (3m), any person who violates sub. (1g) (a), (bm), or (d) or (4) (b) 1. or 2. shall be required to forfeit \$50 for the first offense and not less than \$50 nor more than \$100 for each subsequent offense.

(b) Upon receiving notice of a person's conviction for a violation of sub. (1g) (a), (bm), or (d) or (4) (b) 1. or 2., the department shall notify any adult sponsor who has signed for the person under s. 343.15 (1) of the conviction.

343.10 Occupational licenses. (1) (8) VIOLATION OF RESTRICTIONS. Any person who violates a restriction on an occupational license as to hours of the day, area, routes or purpose of travel, vehicles allowed to be operated, use of an ignition interlock device, sobriety or use of alcohol, controlled substances or controlled substance analogs shall be:

(a) Prosecuted under s. 343.44 (1) (a) if the occupational license was issued while the person's operating privilege was suspended.

(b) Prosecuted under s. 343.44 (1) (b) if the occupational license was issued while the person's operating privilege was revoked.

343.18 License to be carried; verification of signature.

(1) Every licensee shall have his or her license document, including any special restrictions cards issued under s. 343.10 (7) (d) or 343.17 (4), in his or her immediate possession at all times when operating a motor vehicle and shall display the same upon demand from any judge, justice or traffic officer.

(1m) A person charged with violating sub. (1) may not be convicted if he or she produces in court or in the office of the arresting officer a license theretofore issued to the licensee and valid at the time of his or her arrest.

(2) For the purpose of verifying the signature on a license, any judge, justice or traffic officer may require the licensee to write the licensee's signature in the presence of such officer.

(3) (a) Except as provided in par. (c), any person who violates sub. (1) shall forfeit not more than \$200.

(c) If the person is operating a commercial motor vehicle at the time of the violation, any person who violates sub. (1) shall forfeit not less than \$250 nor more than \$2,500.

343.301 Installation of ignition interlock device.

(1g) A court shall order a person's operating privilege for the operation of "Class D" vehicles be restricted to operating vehicles that are equipped with an ignition interlock device and, except as provided in sub. (1m), shall order that each motor vehicle for which the person's name appears on the vehicle's certificate of title or registration be equipped with an ignition interlock device if either of the following applies:

(a) The person improperly refused to take a test under s. 343.305.

(b) The person violated s. 346.63 (1) or (2), 940.09 (1), or 940.25 and either of the following applies:

1. The person had an alcohol concentration of 0.15 or more at the time of the offense.

2. The person has a total of one or more prior convictions, suspensions, or revocations, counting convictions under ss. 940.09

(1) and 940.25 in the person's lifetime and other convictions, suspensions, and revocations counted under s. 343.307 (1).

(1m) If equipping each motor vehicle with an ignition interlock device under sub. (1g) would cause an undue financial hardship, the court may order that one or more vehicles described [in] sub. (1g) not be equipped with an ignition interlock device.

NOTE: A missing word is shown in brackets. Corrective legislation is pending.

(2m) The court shall restrict the operating privilege under sub. (1g) for a period of not less than one year nor more than the maximum operating privilege revocation period permitted for the refusal or violation, beginning on the date the department issues any license granted under this chapter, except that if the maximum operating privilege revocation period is less than one year, the court shall restrict the operating privilege under sub. (1g) for one year. The court may order the installation of an ignition interlock device under sub. (1g) immediately upon issuing an order under sub. (1g).

(3) (a) Except as provided in par. (b), if the court enters an order under sub. (1g), the person shall be liable for the reasonable cost of equipping and maintaining any ignition interlock device installed on his or her motor vehicle.

(b) If the court finds that the person who is subject to an order under sub. (1g) has a household income that is at or below 150 percent of the nonfarm federal poverty line for the continental United States, as defined by the federal department of labor under 42 USC 9902 (2), the court shall limit the person's liability under par. (a) to one-half of the cost of equipping each motor vehicle with an ignition interlock device and one-half of the cost per day per vehicle of maintaining the ignition interlock device.

(4) A person to whom an order under sub. (1g) applies violates that order if he or she fails to have an ignition interlock device installed as ordered, removes or disconnects an ignition interlock device, requests or permits another to blow into an ignition interlock device or to start a motor vehicle equipped with an ignition interlock device for the purpose of providing the person an operable motor vehicle without the necessity of first submitting a sample of his or her breath to analysis by the ignition interlock device, or otherwise tampers with or circumvents the operation of the ignition interlock device.

(5) If the court enters an order under sub. (1g), the court shall impose and the person shall pay to the clerk of court an ignition interlock surcharge of \$50. The clerk of court shall transmit the amount to the county treasurer.

343.303 Preliminary breath screening test. If a law enforcement officer has probable cause to believe that the person is violating or has violated s. 346.63 (1) or (2m) or a local ordinance in conformity therewith, or s. 346.63 (2) or (6) or 940.25 or s. 940.09 where the offense involved the use of a vehicle, or if the officer detects any presence of alcohol, a controlled substance, controlled substance analog or other drug, or a combination thereof, on a person driving or operating or on duty time with respect to a commercial motor vehicle or has reason to believe that the person is violating or has violated s. 346.63 (7) or a local ordinance in conformity therewith, the officer, prior to an arrest, may request the person to provide a sample of his or her breath for a preliminary breath screening test using a device approved by the department for this purpose. The result of this

preliminary breath screening test may be used by the law enforcement officer for the purpose of deciding whether or not the person shall be arrested for a violation of s. 346.63 (1), (2m), (5) or (7) or a local ordinance in conformity therewith, or s. 346.63 (2) or (6), 940.09 (1) or 940.25 and whether or not to require or request chemical tests as authorized under s. 343.305 (3). The result of the preliminary breath screening test shall not be admissible in any action or proceeding except to show probable cause for an arrest, if the arrest is challenged, or to prove that a chemical test was properly required or requested of a person under s. 343.305 (3). Following the screening test, additional tests may be required or requested of the driver under s. 343.305 (3). The general penalty provision under s. 939.61 (1) does not apply to a refusal to take a preliminary breath screening test.

343.305 Tests for intoxication; administrative suspension and court-ordered revocation. (1) DEFINITIONS. In this section:

(b) “Drive” means the exercise of physical control over the speed and direction of a motor vehicle while it is in motion.

(c) “Operate” means the physical manipulation or activation of any of the controls of a motor vehicle necessary to put it in motion.

(2) IMPLIED CONSENT. Any person who is on duty time with respect to a commercial motor vehicle or drives or operates a motor vehicle upon the public highways of this state, or in those areas enumerated in s. 346.61, is deemed to have given consent to one or more tests of his or her breath, blood or urine, for the purpose of determining the presence or quantity in his or her blood or breath, of alcohol, controlled substances, controlled substance analogs or other drugs, or any combination of alcohol, controlled substances, controlled substance analogs and other drugs, when requested to do so by a law enforcement officer under sub. (3) (a) or (am) or when required to do so under sub. (3) (ar) or (b). Any such tests shall be administered upon the request of a law enforcement officer. The law enforcement agency by which the officer is employed shall be prepared to administer, either at its agency or any other agency or facility, 2 of the 3 tests under sub. (3) (a), (am), or (ar), and may designate which of the tests shall be administered first.

(3) REQUESTED OR REQUIRED. (a) Upon arrest of a person for violation of s. 346.63 (1), (2m) or (5) or a local ordinance in conformity therewith, or for a violation of s. 346.63 (2) or (6) or 940.25, or s. 940.09 where the offense involved the use of a vehicle, or upon arrest subsequent to a refusal under par. (ar), a law enforcement officer may request the person to provide one or more samples of his or her breath, blood or urine for the purpose specified under sub. (2). Compliance with a request for one type of sample does not bar a subsequent request for a different type of sample.

(am) Prior to arrest, a law enforcement officer may request the person to provide one or more samples of his or her breath, blood or urine for the purpose specified under sub. (2) whenever a law enforcement officer detects any presence of alcohol, a controlled substance, a controlled substance analog or other drug, or a combination thereof, on a person driving or operating or on duty time with respect to a commercial motor vehicle or has reason to believe the person is violating or has violated s. 346.63 (7). Compliance with a request for one type of sample does not bar a subsequent request for a different type of sample. For the purposes of this paragraph, “law enforcement officer” includes inspectors in the performance of duties.

(ar) 1. If a person is the operator of a vehicle that is involved in an accident that causes substantial bodily harm, as defined in s. 939.22 (38), to any person, and a law enforcement officer detects any presence of alcohol, a controlled substance, a controlled substance analog or other drug, or a combination thereof, the law enforcement officer may request the operator to provide one or more

samples of his or her breath, blood, or urine for the purpose specified under sub. (2). Compliance with a request for one type of sample does not bar a subsequent request for a different type of sample. A person who is unconscious or otherwise not capable of withdrawing consent is presumed not to have withdrawn consent under this subdivision and one or more samples specified in par. (a) or (am) may be administered to the person. If a person refuses to take a test under this subdivision, he or she may be arrested under par. (a). 2. If a person is the operator of a vehicle that is involved in an accident that causes the death of or great bodily harm to any person and the law enforcement officer has reason to believe that the person violated any state or local traffic law, the officer may request the operator to provide one or more samples of his or her breath, blood, or urine for the purpose specified under sub. (2). Compliance with a request for one type of sample does not bar a subsequent request for a different type of sample. A person who is unconscious or otherwise not capable of withdrawing consent is presumed not to have withdrawn consent under this subdivision and one or more samples specified in par. (a) or (am) may be administered to the person. If a person refuses to take a test under this subdivision, he or she may be arrested under par. (a).

(b) A person who is unconscious or otherwise not capable of withdrawing consent is presumed not to have withdrawn consent under this subsection, and if a law enforcement officer has probable cause to believe that the person has violated s. 346.63 (1), (2m) or (5) or a local ordinance in conformity therewith, or s. 346.63 (2) or (6) or 940.25, or s. 940.09 where the offense involved the use of a vehicle, or detects any presence of alcohol, controlled substance, controlled substance analog or other drug, or a combination thereof, on a person driving or operating or on duty time with respect to a commercial motor vehicle or has reason to believe the person has violated s. 346.63 (7), one or more samples specified in par. (a) or (am) may be administered to the person.

(c) This section does not limit the right of a law enforcement officer to obtain evidence by any other lawful means.

(4) INFORMATION. At the time that a chemical test specimen is requested under sub. (3) (a), (am), or (ar), the law enforcement officer shall read the following to the person from whom the test specimen is requested:

“You have either been arrested for an offense that involves driving or operating a motor vehicle while under the influence of alcohol or drugs, or both, or you are the operator of a vehicle that was involved in an accident that caused the death of, great bodily harm to, or substantial bodily harm to a person, or you are suspected of driving or being on duty time with respect to a commercial motor vehicle after consuming an intoxicating beverage. This law enforcement agency now wants to test one or more samples of your breath, blood or urine to determine the concentration of alcohol or drugs in your system. If any test shows more alcohol in your system than the law permits while driving, your operating privilege will be suspended. If you refuse to take any test that this agency requests, your operating privilege will be revoked and you will be subject to other penalties. The test results or the fact that you refused testing can be used against you in court. If you take all the requested tests, you may choose to take further tests. You may take the alternative test that this law enforcement agency provides free of charge. You also may have a test conducted by a qualified person of your choice at your expense. You, however, will have to make your own arrangements for that test. If you have a commercial driver license or were operating a commercial motor vehicle, other consequences may result from positive test results or from refusing testing, such as being placed out of service or disqualified.”

(5) ADMINISTERING THE TEST; ADDITIONAL TESTS. (a) If the person submits to a test under this section, the officer shall direct the administering of the test. A blood test is subject to

par. (b). The person who submits to the test is permitted, upon his or her request, the alternative test provided by the agency under sub. (2) or, at his or her own expense, reasonable opportunity to have any qualified person of his or her own choosing administer a chemical test for the purpose specified under sub. (2). If the person has not been requested to provide a sample for a test under sub. (3) (a), (am), or (ar), the person may request a breath test to be administered by the agency or, at his or her own expense, reasonable opportunity to have any qualified person administer any test specified under sub. (3) (a), (am), or (ar). The failure or inability of a person to obtain a test at his or her own expense does not preclude the admission of evidence of the results of any test administered under sub. (3) (a), (am), or (ar). If a person requests the agency to administer a breath test and if the agency is unable to perform that test, the person may request the agency to perform a test under sub. (3) (a), (am), or (ar) that it is able to perform. The agency shall comply with a request made in accordance with this paragraph.

(b) Blood may be withdrawn from the person arrested for violation of s. 346.63 (1), (2), (2m), (5) or (6) or 940.25, or s. 940.09 where the offense involved the use of a vehicle, or a local ordinance in conformity with s. 346.63 (1), (2m) or (5), or as provided in sub. (3) (am) or (b) to determine the presence or quantity of alcohol, a controlled substance, a controlled substance analog or any other drug, or any combination of alcohol, controlled substance, controlled substance analog and any other drug in the blood only by a physician, registered nurse, medical technologist, physician assistant or person acting under the direction of a physician.

(c) A person acting under par. (b), the employer of any such person and any hospital where blood is withdrawn by any such person have immunity from civil or criminal liability.

(d) At the trial of any civil or criminal action or proceeding arising out of the acts committed by a person alleged to have been driving or operating a motor vehicle while under the influence of an intoxicant, a controlled substance, a controlled substance analog or any other drug, or under the influence of any combination of alcohol, a controlled substance, a controlled substance analog and any other drug, to a degree which renders him or her incapable of safely driving, or under the combined influence of an intoxicant and any other drug to a degree which renders him or her incapable of safely driving, or having a prohibited alcohol concentration, or alleged to have been driving or operating or on duty time with respect to a commercial motor vehicle while having an alcohol concentration above 0.0 or possessing an intoxicating beverage, regardless of its alcohol content, or within 4 hours of having consumed or having been under the influence of an intoxicating beverage, regardless of its alcohol content, or of having an alcohol concentration of 0.04 or more, the results of a test administered in accordance with this section are admissible on the issue of whether the person was under the influence of an intoxicant, a controlled substance, a controlled substance analog or any other drug, or under the influence of any combination of alcohol, a controlled substance, a controlled substance analog and any other drug, to a degree which renders him or her incapable of safely driving or under the combined influence of an intoxicant and any other drug to a degree which renders him or her incapable of safely driving or any issue relating to the person's alcohol concentration. Test results shall be given the effect required under applicable law.

(e) At the trial of any civil or criminal action or proceeding arising out of the acts committed by a person alleged to have been driving or operating a motor vehicle while having a detectable amount of a restricted controlled substance in his or her blood, the results of a blood test administered in accordance with this section are admissible on any issue relating to the presence of a detectable amount of a restricted controlled substance in the person's blood. Test results shall be given the effect required under applicable law .

(6) REQUIREMENTS FOR TESTS. (a) Chemical analyses of blood or urine to be considered valid under this section shall have been performed substantially according to methods approved by the laboratory of hygiene and by an individual possessing a valid permit to perform the analyses issued by the department of health services. The department of health services shall approve laboratories for the purpose of performing chemical analyses of blood or urine for alcohol, controlled substances or controlled substance analogs and shall develop and administer a program for regular monitoring of the laboratories. A list of approved laboratories shall be provided to all law enforcement agencies in the state. Urine specimens are to be collected by methods specified by the laboratory of hygiene. The laboratory of hygiene shall furnish an ample supply of urine and blood specimen containers to permit all law enforcement officers to comply with the requirements of this section.

(c) For purposes of this section, if a breath test is administered using an infrared breath-testing instrument:

1. The test shall consist of analyses in the following sequence:

one adequate breath sample analysis, one calibration standard analysis, and a 2nd, adequate breath sample analysis.

2. A sample is adequate if the instrument analyzes the sample and does not indicate the sample is deficient.

3. Failure of a person to provide 2 separate, adequate breath samples in the proper sequence constitutes a refusal.

(7) CHEMICAL TEST; ADMINISTRATIVE SUSPENSION. (a) If a person submits to chemical testing administered in accordance with this section and any test results indicate the presence of a detectable amount of a restricted controlled substance in the person's blood or a prohibited alcohol concentration, the law enforcement officer shall report the results to the department. The person's operating privilege is administratively suspended for 6 months.

(b) If a person who was driving or operating or on duty time with respect to a commercial motor vehicle submits to chemical testing administered in accordance with this section and any test results indicate an alcohol concentration above 0.0, the law enforcement officer shall issue a citation for violation of s. 346.63 (7) (a) 1., issue citations for such other violations as may apply and issue an out-of-service order to the person for the 24 hours after the testing, and report both the out-of-service order and the test results to the department in the manner prescribed by the department. If the person is a nonresident, the department shall report issuance of the out-of-service order to the driver licensing agency in the person's home jurisdiction.

(8) CHEMICAL TEST; ADMINISTRATIVE SUSPENSION; ADMINISTRATIVE AND JUDICIAL REVIEW. (a) The law enforcement officer shall notify the person of the administrative suspension under sub. (7) (a). The notice shall advise the person that his or her operating privilege will be administratively suspended and that he or she has the right to obtain administrative and judicial review under this subsection. This notice of administrative suspension serves as a 30-day temporary license. An administrative suspension under sub. (7) (a) becomes effective at the time the 30-day temporary license expires. The officer shall submit or mail a copy of the notice to the department.

(am) The law enforcement officer shall provide the person with a separate form for the person to use to request the administrative review under this subsection. The form shall clearly indicate how to request an administrative review and shall clearly notify the person that this form must be submitted within 10 days from the notice date indicated on the form or the person's hearing rights

will be deemed waived. The form shall, in no less than 16-point boldface type, be titled: **IMPORTANT NOTICE — RESPOND WITHIN TEN (10) DAYS.**

(b) 1. Within 10 days after the notification under par. (a), or, if the notification is by mail, within 13 days, excluding Saturdays, Sundays and holidays, after the date of the mailing, the person may request, in writing, that the department review the administrative suspension. The review procedure is not subject to administrative review. Unless the hearing is by remote communication mechanism or record review, the department shall hold the hearing on the matter in the county in which the offense allegedly occurred or at the nearest office of the department if the offense allegedly occurred in a county in which the department does not maintain an office. The department, upon request of the person, may conduct a hearing under this paragraph by telephone, video conference, or other remote communication mechanism or by review of only the record submitted by the arresting officer and written arguments. The department shall hold a hearing regarding the administrative suspension within 30 days after the date of notification under par.

(a). The person may present evidence and may be represented by counsel. The arresting officer need not appear at the administrative hearing unless subpoenaed and need not appear in person at a hearing conducted by remote communication mechanism or record review, but he or she must submit a copy of his or her report and the results of the chemical test to the hearing examiner.

2. The administrative hearing under this paragraph is limited to the following issues:

a. The correct identity of the person.

b. Whether the person was informed of the options regarding tests under this section as required under sub. (4).

bm. Whether the person had a prohibited alcohol concentration or a detectable amount of a restricted controlled substance in his or her blood at the time the offense allegedly occurred.

c. Whether one or more tests were administered in accordance with this section.

d. If one or more tests were administered in accordance with this section, whether each of the test results for those tests indicate the person had a prohibited alcohol concentration or a detectable amount of a restricted controlled substance in his or her blood.

e. If a test was requested under sub. (3) (a), whether probable cause existed for the arrest.

f. Whether the person was driving or operating a commercial motor vehicle when the offense allegedly occurred.

g. Whether the person had a valid prescription for methamphetamine or one of its metabolic precursors or gamma-hydroxybutyric acid or delta-9-tetrahydrocannabinol in a case in which subd. 4m. a. and b. apply.

3. The hearing examiner shall conduct the administrative hearing in an informal manner. No testimony given by any witness may be used in any subsequent action or proceeding. The hearing examiner may permit testimony by telephone if the site of the administrative hearing is equipped with telephone facilities to allow multiple party conversations.

4. The hearing examiner shall consider and determine the reliability of all of the evidence presented at the administrative hearing. Statements and reports of law enforcement officers are subject to the same standards of credibility applied to all other evidence presented.

4m. If, at the time the offense allegedly occurred, all of the following apply, the hearing officer shall determine whether the person had a valid prescription for methamphetamine or one of its metabolic precursors, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol:

a. A blood test administered in accordance with this section indicated that the person had a detectable amount of methamphetamine, gamma-hydroxybutyric acid, or

delta-9-tetrahydrocannabinol but did not have a detectable amount of any other restricted controlled substance in his or her blood.

b. No test administered in accordance with this section indicated that the person had a prohibited alcohol concentration.

5. If the hearing examiner finds that any of the following applies, the examiner shall order that the administrative suspension of the person's operating privilege be rescinded without payment of any fee under s. 343.21 (1) (j), (jr), or (n):

a. The criteria for administrative suspension have not been satisfied.

b. The person did not have a prohibited alcohol concentration or a detectable amount of a restricted controlled substance in his or her blood at the time the offense allegedly occurred.

c. In a case in which subd. 4m. a. and b. apply, the person had a valid prescription for methamphetamine or one of its metabolic precursors, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol.

6. If the hearing examiner finds that all of the following apply, the administrative suspension shall continue regardless of the type of vehicle driven or operated at the time of the violation:

a. The criteria for administrative suspension have been satisfied.

b. The person had a prohibited alcohol concentration or a detectable amount of a restricted controlled substance in his or her blood at the time the offense allegedly occurred.

c. In a case in which subd. 4m. a. and b. apply, the person did not have a valid prescription for methamphetamine or one of its metabolic precursors, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol.

7. The hearing examiner shall notify the person in writing of the hearing decision, of the right to judicial review and of the court's authority to issue a stay of the suspension under par. (c). The administrative suspension is vacated and the person's operating privilege shall be automatically reinstated under s. 343.39 if the hearing examiner fails to mail this notice to the person within 30 days after the date of the notification under par. (a).

(c) 1. An individual aggrieved by the determination of the hearing examiner may have the determination reviewed by the court hearing the action relating to the applicable violation listed under sub. (3) (a), (am), or (ar). If the individual seeks judicial review, he or she must file the request for judicial review with the court within 20 days of the issuance of the hearing examiner's decision. The court shall send a copy of that request to the department. The judicial review shall be conducted at the time of the trial of the underlying offense under s. 346.63. The prosecutor of the underlying offense shall represent the interests of the department.

2. The court shall order that the administrative suspension be either rescinded or sustained and forward its order to the department. The department shall vacate the administrative suspension under sub. (7) unless, within 60 days of the date of the request for judicial review of the administrative hearing decision, the department has been notified of the result of the judicial review or of an order of the court entering a stay of the hearing examiner's order continuing the suspension.

3. Any party aggrieved by the order of a circuit court under subd. 2. may appeal to the court of appeals. Any party aggrieved by the order of a municipal court under subd. 2 may appeal to the circuit court for the county where the offense allegedly occurred.

4. A request for judicial review under this subsection does not stay any administrative suspension order.

5. If any court orders under this subsection that the administrative suspension of the person's operating privilege be rescinded, the person need not pay any fee under s. 343.21 (1) (j), (jr), or (n).

(d) A person who has his or her operating privilege administratively suspended under this subsection and sub. (7) (a) is eligible for an occupational license under s. 343.10 at any time.

(9) REFUSALS; NOTICE AND COURT HEARING. (a) If a person refuses to take a test under sub. (3) (a), the law enforcement officer shall immediately prepare a notice of intent to revoke, by court order under sub. (10), the person's operating privilege. If the person was driving or operating a commercial motor vehicle, the officer shall issue an out-of-service order to the person for the 24 hours after the refusal and notify the department in the manner prescribed by the department. The officer shall issue a copy of the notice of intent to revoke the privilege to the person and submit or mail a copy to the circuit court for the county in which the arrest under sub. (3) (a) was made or to the municipal court in the municipality in which the arrest was made if the arrest was for a violation of a municipal ordinance under sub. (3) (a) and the municipality has a municipal court. The officer shall also mail a copy of the notice of intent to revoke to the attorney for that municipality or to the district attorney for that county, as appropriate, and to the department. Neither party is entitled to pretrial discovery in any refusal hearing, except that, if the defendant moves within 30 days after the initial appearance in person or by an attorney and shows cause therefor, the court may order that the defendant be allowed to inspect documents, including lists of names and addresses of witnesses, if available, and to test under s. 804.09, under such conditions as the court prescribes, any devices used by the plaintiff to determine whether a violation has been committed. The notice of intent to revoke the person's operating privilege shall contain substantially all of the following information:

1. That prior to a request under sub. (3) (a), the officer had placed the person under arrest for a violation of s. 346.63 (1), (2 m) or (5) or a local ordinance in conformity therewith or s. 346.63 (2) or (6), 940.09 (1) or 940.25 or had requested the person to take a test under sub. (3) (ar).

2. That the officer complied with sub. (4).

3. That the person refused a request under sub. (3) (a).

4. That the person may request a hearing on the revocation within 10 days by mailing or delivering a written request to the court whose address is specified in the notice. If no request for a hearing is received within the 10-day period, the revocation period commences 30 days after the notice is issued.

5. That the issues of the hearing are limited to:

a. Whether the officer had probable cause to believe the person was driving or operating a motor vehicle while under the influence of alcohol, a controlled substance or a controlled substance analog or any combination of alcohol, a controlled substance and a controlled substance analog, under the influence of any other drug to a degree which renders the person incapable of safely driving, or under the combined influence of alcohol and any other drug to a degree which renders the person incapable of safely driving, having a restricted controlled substance in his or her blood, or having a prohibited alcohol concentration or, if the person was driving or operating a commercial motor vehicle, an alcohol concentration of 0.04 or more and whether the person was lawfully placed under arrest for violation of s. 346.63 (1), (2m) or (5) or a local ordinance in conformity therewith or s. 346.63 (2) or (6), 940.09 (1) or 940.25.

b. Whether the officer complied with sub. (4).

c. Whether the person refused to permit the test. The person shall not be considered to have refused the test if it is shown by a preponderance of evidence that the refusal was due to a physical inability

to submit to the test due to a physical disability or disease unrelated to the use of alcohol, controlled substances, controlled substance analogs or other drugs.

6. That, if it is determined that the person refused the test, there will be an order for the person to comply with assessment and a driver safety plan.

(am) If a person driving or operating or on duty time with respect to a commercial motor vehicle refuses a test under sub. (3)

(am), the law enforcement officer shall immediately issue an out-of-service order to the person for the 24 hours after the refusal and notify the department in the manner prescribed by the department, and prepare a notice of intent to revoke, by court order under sub. (10), the person's operating privilege. The officer shall issue a copy of the notice of intent to revoke the privilege to the person and submit or mail a copy to the circuit court for the county in which the refusal is made or to the municipal court in the municipality in which the refusal is made if the person's refusal was in violation of a municipal ordinance and the municipality has a municipal court. The officer shall also mail a copy of the notice of intent to revoke to the attorney for that municipality or to the district attorney for that county, as appropriate, and to the department. Neither party is entitled to pretrial discovery in any refusal hearing, except that, if the defendant moves within 30 days after the initial appearance in person or by an attorney and shows cause therefor, the court may order that the defendant be allowed to inspect documents, including lists of names and addresses of witnesses, if available, and to test under s. 804.09, under such conditions as the court prescribes, any devices used by the plaintiff to determine whether a violation has been committed. The notice of intent to revoke the person's operating privilege shall contain substantially all of the following information:

1. That the officer has issued an out-of-service order to the person for the 24 hours after the refusal, specifying the date and time of issuance.

2. That the officer complied with sub. (4).

3. That the person refused a request under sub. (3) (am).

4. That the person may request a hearing on the revocation within 10 days by mailing or delivering a written request to the court whose address is specified in the notice. If no request for a hearing is received within the 10-day period, the revocation period commences 30 days after the notice is issued.

5. That the issues of the hearing are limited to:

a. Whether the officer detected any presence of alcohol, controlled substance, controlled substance analog or other drug, or a combination thereof, on the person or had reason to believe that the person was violating or had violated s. 346.63 (7).

b. Whether the officer complied with sub. (4).

c. Whether the person refused to permit the test. The person shall not be considered to have refused the test if it is shown by a preponderance of evidence that the refusal was due to a physical inability to submit to the test due to a physical disability or disease unrelated to the use of alcohol, controlled substances, controlled substance analogs or other drugs.

6. That if it is determined that the person refused the test there will be an order for the person to comply with assessment and a driver safety plan.

(b) The use of the notice under par. (a) or (am) by a law enforcement officer in connection with the enforcement of this section is adequate process to give the appropriate court jurisdiction over the person.

(c) If a law enforcement officer informs the circuit or municipal court that a person has refused to submit to a test under sub. (3) (a), (am), or (ar), the court shall be prepared to hold any requested

hearing to determine if the refusal was proper. The scope of the hearing shall be limited to the issues outlined in par.

(a) 5. or (am) 5. Section 967.055 applies to any hearing under this subsection.

(d) At the close of the hearing, or within 5 days thereafter, the court shall determine the issues under par. (a) 5. or (am) 5. If all issues are determined adversely to the person, the court shall proceed under sub. (10). If one or more of the issues is determined favorably to the person, the court shall order that no action be taken on the operating privilege on account of the person's refusal to take the test in question. This section does not preclude the prosecution of the person for violation of s. 346.63 (1), (2m), (5) or (7) or a local ordinance in conformity therewith, or s. 346.63 (2) or (6), 940.09 (1) or 940.25.

343.307 Prior convictions, suspensions or revocations

(f) Revocations under s. 343.305 (10).

(g) Convictions for violations under s. 114.09 (1) (b) 1. or 1m.

the person incapable of safely driving; or while having a detectable amount of a restricted controlled substance in his or her blood, as those or substantially similar terms are used in that jurisdiction's laws.

(g) Revocations under s. 343.305 (10).

(h) Convictions for violations under s. 940.09 (1) or 940.25.

(3) If the same elements of the offense must be proven under a local ordinance or under a law of a federally recognized American Indian tribe or band in this state as under s. 346.63 (1) (a), (am), or (b), any combination of s. 346.63 (1) (a), (am), or (b), or s. 346.63 (5), the local ordinance or the law of a federally recognized American Indian tribe or band in this state shall be considered to be in conformity with s. 346.63 (1) (a), (am), or (b), any combination of s. 346.63 (1) (a), (am), or (b), or s. 346.63 (5), for purposes of ss. 343.30 (1q) (b) 1., 343.305 (10) (b) 1. and 346.65 (2) and (2j).

343.44 Operating while suspended, revoked, ordered

out-of-service or disqualified. (1) OPERATING OFFENSES.

(a) *Operating while suspended.* No person whose operating privilege has been duly suspended under the laws of this state may operate a motor vehicle upon any highway in this state during the period of suspension or in violation of any restriction on an occupational license issued to the person during the period of suspension. A person's knowledge that his or her operating privilege is suspended is not an element of the offense under this paragraph. In this paragraph, "restriction on an occupational license" means restrictions imposed under s. 343.10 (5) (a) as to hours of the day, area, routes or purpose of travel, vehicles allowed to be operated, use of an ignition interlock device, sobriety or use of alcohol, controlled substances or controlled substance analogs.

(b) *Operating while revoked.* No person whose operating privilege has been duly revoked under the laws of this state may knowingly operate a motor vehicle upon any highway in this state during the period of revocation or in violation of any restriction on an occupational license issued to the person during the period of revocation. In this paragraph, "restriction on an occupational license" means restrictions imposed under s. 343.10 (5) (a) as to hours of the day, area, routes or purpose of travel, vehicles allowed to be operated, use of an ignition interlock device, sobriety or use of alcohol, controlled substances or controlled substance analogs.

(c) *Operating while ordered out-of-service.* No person may operate a commercial motor vehicle while the person or the commercial motor vehicle is ordered out-of-service under the law of this state or another jurisdiction or under federal law. No person may operate a commercial motor vehicle for which the motor carrier identified on the motor vehicle's registration application as the motor carrier responsible for safety of the vehicle has been issued a federal out-of-service order for unsatisfactory safety compliance, while this federal out-of-service order is in effect.

(d) *Operating while disqualified.* No person may operate a commercial motor vehicle while disqualified under s. 343.315 or 49 CFR 383.51, under the law of another jurisdiction or Mexico that provides for disqualification of commercial drivers in a manner similar to 49 CFR 383.51, or under a determination by the federal motor carrier safety administration under the federal rules of practice for motor carrier safety contained in 49 CFR 386 that the person is no longer qualified to operate a vehicle under 49 CFR 391.

(1g) REINSTATEMENT REQUIRED. Notwithstanding any specified term of suspension, revocation, cancellation or disqualification, the period of any suspension, revocation, cancellation

or disqualification of an operator's license issued under this chapter or of an operating privilege continues until the operator's license or operating privilege is reinstated.

(2) PENALTIES. (ad) In this subsection, "great bodily harm" has the meaning given in s. 939.22 (14).

(ag) 1. Except as provided in subds. 2. and 3., any person who violates sub. (1) (a) shall be required to forfeit not less than \$50 nor more than \$200.

2. Any person who violates sub. (1) (a) and, in the course of the violation, causes great bodily harm to another person is required to forfeit not less than \$5,000 nor more than \$7,500, except that, if the person knows at the time of the violation that his or her operating privilege has been suspended, the person is guilty of a felony.

3. Any person who violates sub. (1) (a) and, in the course of the violation, causes the death of another person is required to forfeit not less than \$7,500 nor more than \$10,000, except that, if the person knows at the time of the violation that his or her operating privilege has been suspended, the person is guilty of a felony.

(ar) 1. Except as provided in subds. 2. to 4., any person who violates sub. (1) (b) shall forfeit not more than \$2,500.

2. Except as provided in subds. 3. and 4., any person who violates sub. (1) (b) shall be fined not more than \$2,500 or imprisoned for not more than one year in the county jail or both if the revocation identified under sub. (1) (b) resulted from an offense that may be counted under s. 343.307 (2).

3. Any person who violates sub. (1) (b) and, in the course of the violation, causes great bodily harm to another person shall be fined not less than \$5,000 nor more than \$7,500 or imprisoned for not more than one year in the county jail or both, except that, if the person knows at the time of the violation that his or her operating privilege has been revoked, the person is guilty of a felony.

4. Any person who violates sub. (1) (b) and, in the course of the violation, causes the death of another person shall be fined not less than \$7,500 nor more than \$10,000 or imprisoned for not more than one year in the county jail or both, except that, if the person knows at the time of the violation that his or her operating privilege has been revoked, the person is guilty of a felony.

(b) [par.] In imposing a sentence under par. (ar) or (br), the court shall review the record and consider the following:

1. The aggravating and mitigating circumstances in the matter, using the guidelines described in par. (d).

2. The class of vehicle operated by the person.

3. The number of prior convictions of the person for violations of this section within the 5 years preceding the person's arrest.

4. The reason that the person's operating privilege was revoked, or the person was disqualified or ordered out of service, including whether the person's operating privilege was revoked for an offense that may be counted under s. 343.307 (2).

5. Any convictions for moving violations arising out of the incident or occurrence giving rise to sentencing under this section.

(bm) Any person who violates sub. (1) (c) shall forfeit \$2,500 for the first offense and \$5,000 for the 2nd or subsequent offense within 10 years.

(br) Any person who violates sub. (1) (d) shall be fined not more than \$2,500 or imprisoned for not more than one year in the county jail or both.

(c) In addition to other penalties for violation of this section, if a person violates this section while his or her operating privilege is revoked under applicable law, the penalties may be enhanced by

imprisonment and additional fines as provided in applicable law. For the purpose of enforcing this paragraph, in any case in which the accused is charged with operating a motor vehicle while his or her operator's license, permit or privilege to operate is suspended or revoked or is charged with operating without a valid operator's license, the court, before hearing the charge, shall determine whether the person is a habitual traffic offender or repeat habitual traffic offender and therefore barred from operating a motor vehicle on the highways of this state.

(d) The Supreme Court shall adopt guidelines for the consideration of aggravating and mitigating factors. Such guidelines shall treat operators of commercial motor vehicles at least as stringently as operators of other classes of motor vehicles.

(2p) SENTENCING OPTION. The legislature intends that courts use the sentencing option under s. 973.03 (4) whenever appropriate for persons subject to sub. (2) to provide cost savings for the state and for local governments. This option shall not be used if the suspension or revocation was for one of the following:

(a) Improperly refusing to take a test under s. 343.305.

(b) Violating s. 346.63 (1) or (5) or a local ordinance in conformity therewith.

(c) Violating s. 346.63 (2) or (6), 940.09 (1) or 940.25.

(2r) PRIOR CONVICTIONS. For purposes of determining prior convictions under this section, the 5-year period shall be measured from the dates of the violations that resulted in the convictions and each conviction under sub. (2) shall be counted. Convictions of s. 343.44 (1), 1997 stats., other than for operating a commercial motor vehicle while ordered out-of-service shall be counted under this section as prior convictions.

(2s) CITATIONS. Within 30 days after receipt by the department of a report from a law enforcement officer under s. 343.305 (7) or a court order under s. 343.28 of a violation committed by a person operating a commercial motor vehicle while subject to an out-of-service order under s. 343.305 (7) (b) or (9) (am), a traffic officer employed under s. 110.07 may prepare a uniform traffic citation under s. 345.11 for a violation of sub. (1) (c) or (d) and serve it on the person. The citation may be served anywhere in this state and shall be served by delivering a copy to the person personally or by leaving a copy at the person's usual place of abode with a person of discretion residing therein or by mailing a copy to the person's last-known residence address. The venue for prosecution may be the county where the alleged offense occurred or in the person's county of residence.

(3) FAILURE TO RECEIVE NOTICE. Refusal to accept or failure to receive an order of revocation, suspension or disqualification mailed by 1st class mail to such person's last-known address shall not be a defense to the charge of driving after revocation, suspension or disqualification. If the person has changed his or her address and fails to notify the department as required in s. 343.22 then failure to receive notice of revocation, suspension or disqualification shall not be a defense to the charge of driving after revocation, suspension or disqualification.

343.45 Permitting unauthorized person to drive.

(1) No person shall cause or knowingly permit the person's child or ward under 18 years of age to operate a motor vehicle upon any highway in violation of this chapter or when such minor is not authorized under this chapter to operate a motor vehicle.

No dealer as defined in s. 340.01 (11) (intro.) but including the persons specified in s. 340.01 (11) (a), (b), (c) and (d), shall permit any person to operate any motor vehicle owned by the dealer or in the dealer's possession

or control on a trial run unless the dealer has been shown the person's valid operator's license, issued by this state or other jurisdiction, before permitting the trial run.

(3) Except as another penalty is provided by s. 343.245 (4) (b), any person violating this section may be required to forfeit not more than \$100.
