## DEPARTMENT OF THE TREASURY

### PROCUREMENT DIVISION

July 22, 2022

#### **ADDENDUM #1**

#### **RFP #2022SFS11**

#### **Broadband Consultant Services**

#### **Vendor Questions with Responses**

1Q: We see there is a diversification strategy; will this be made available?

**1A:** Not until the project is further along. At this point, the strategy is still under development.

2Q: Does the Tribe have a current Comprehensive Economic Development Strategy, and will it be made available?

**2A:** Please see response #1A.

3Q: The working team has completed a portion of the work necessary to develop a larger plan. **Can you please clarify which portion of the work has been completed?**

**3A:** An analysis of needs and evaluation of where the nation's needs lie is complete.

4Q: Data has been gathered, analysis has occurred, and surveys are underway. **Can you please clarify what data has been gathered and what the surveys consist of?**

**4A:** Preliminary data was received yet the sample size was too small. A second survey will be released within the next 3 weeks. Survey consisted of general use and access.

5Q: The working team has met regularly to review and explore options for the broadband project. **Can you provide details on the options they have explored?**

**5A:** No

6Q: Objective 6: Develop a budget of project needs, annual operating, and future maintenance costs; **is the tribe requesting a full 5-year financial plan and analysis?**

**6A:** Yes

7Q: Objective 8: Assist and advise with the development and integration of optimal solutions regarding the FCC license. **Can you confirm whether or not this is about the 2.5GHz licenses or if it is about all FCC licensed frequencies used by the tribe?**

**7A: The 2.5GHz license**

8Q: Can you clarify how much of the work is preferred in person versus via video conference?

**8A: 2 for sure. An entrance and exit conference in person. The other meetings will remain as virtual.**
