Responses to Vendor Questions

Q1. Will we be working with the awardee of the planning RFP and if so will we have access to the data and plans generated from their work?

A1: Because our projects do have areas of alignment, I would assume we will collaborate by sharing information at some point in the future. This will require dialogue with the other project team to verify my statement.

Q2. RFP document page #12, Section A, Sub-section c and d: They are the same. Was Sub-section d supposed to be different than c?

A2. That is a typo, please disregard sub-section d.
